

Message from the Coordinator, Isabelle.

Hello Lovely Families!

Just a reminder that children are to leave their toys at home, as toys have been lost or misplaced either at school or in our Rise and Shine (before school care) and Stay and Play (after school care) session. If they insisting on bringing their toys in, we can mind them in our office until they go home, for safe keeping. If you have any concerns, please let me know for discussion. ☺

A reminder that Sydney FC Skills just started on Monday afternoon from 05/05/2025 to 23/06/2025 for 7 weeks from 4pm to 5pm. Bookings can be changed in the Parent Portal from a regular Stay and Play session to a Sydney FC session. If you would like more information or support, please let me know.

Just a reminder, if your child is attending any extra-curricular activity during any sessions at OSHClub, there is a form that needs to be filled out. I have attached the form, just in case if you need it. ☺ ☺ ☺

We have changed our cooking club to Tuesday Afternoon from Term 2, from 4:00pm and it has been very popular club with the children.

This week we made 'Creamy Lemonade'.

During this activity, we split the group into several smaller group and they all took turns making creamy lemonade, the children showed independence throughout this experience.

If you would like the recipe for the creamy lemonade, please do not hesitate to ask me. Olivia A. said, 'It's very yummy.'

Lost Property

We have placed 'Lost Property' outside the OSHClub door now. We will be hanging up any lost items in our new area - against the wall (outside) when you come out from the hall.

Every Monday morning, I will be taking the lost property items to the school office lost property area if it is still in the basket. Any items that have not been collected will be going to the donation bin.
